

## Third Grade Book Series by Level

Remember that your child should be reading about one hour each day in a book that is a “good fit” book choice. You can find the level of most any book using the Scholastic Book Wizard site:

<http://www.scholastic.com/bookwizard/> You will need to search according to the guided reading A-Z reading levels.

Below are listed a few suggestions for books by level. There are so many more wonderful books than what is listed here, but I hope that this list will give you a place to start. Also, please check out our own Jane A. Stephenson Library’s website for many other leveled and annotated book lists.
